Direct Referral Dental Plan*

SG100

This Schedule of Benefits lists the services available to you under your SafeGuard plan, as well as the co-payments associated with each procedure. There are other factors that impact how your plan works and those are included here in the Exclusions & Limitations. SafeGuard is an affiliate of MetLife.

Specialty Care Information: During the course of treatment, your SafeGuard selected general dentist may recommend the services of a dental specialist. Your selected general dentist may refer you directly to a contracted SafeGuard specialty care provider for endodontics, oral surgery, orthodontics, periodontics, or pedodontics; no referral or preauthorization from SafeGuard is required.

* Prior authorization from SafeGuard is required for referrals to participating orthodontists and pediatric specialists. Your selected general dentist will submit all required documentation to SafeGuard and SafeGuard will advise you of the name, address and telephone number of a SafeGuard contracted orthodontist or pediatric specialist in your area.
