CHILD ABUSE REPORTING

Penal Code 11166.5 requires all persons defined as “child care custodians” to sign a statement to the effect that they understand and will comply with their legal obligation to report known or suspected instances of child abuse.

As an employee of the Colton-Redlands-Yucaipa Regional Occupational Program, I have received written material regarding the requirements for Child Abuse reporting. I understand that it is my legal obligation to report known or suspected instances of child abuse.
